Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Registration Form on S-3 filed on September 17, 2024  
General

1. We note that you are registering 5,830,902 shares on behalf of One Planet Group, which appears to be an affiliated party. Given the nature of One Planet Group's relationship with you and the size of the offering relative to the number of shares outstanding held by non-affiliates, it appears that the transaction may be an indirect primary offering on behalf of the registrant. Please provide us with a detailed legal analysis explaining your basis for determining that this is a secondary offering that is eligible to be made under Rule 415(a)(1)(i) and not a primary offering. For guidance, please see Securities Act Rules

Compliance and Disclosure Interpretations Question 612.09.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
